(4) TERMS AND CONDITIONS: -

- (i) The work shall be carried out strictly as per CPWD Specifications and CPWD manual of orders, 2012.
- (ii) All the stages of consultancy shall be completed by the Architect/Consultant according to the time schedule specified above and shall be strictly adhered to. The work throughout contract period shall be carried out with diligence as time being the essence of the contract. In the event of failure on the part of Architect to provide services for any stage within the time schedule, the Engineer-in-charge may levy liquidity damages @ 1% per week for delay in completion of work subject to maximum 10% of the agreement amount. Further for breach of terms and conditions of the agreement, Engineer-in-charge may rescind the contract agreement of the consultant by giving 15 days notice. The Engineer-in-charge may get the balance work done at the risk and cost of the architect/consultant.
- (iii) No price escalation on any account will be payable.
- (iv) The bidder shall carefully study the scope of work to be carried out and site situation etc. The Engineering Department will not pay any extra or rate difference for any reason in case the Consultant claims after acceptance of contract to have misjudged the work.
- (v) The bidders shall note that no deviations from the general terms & conditions of the contract or commercial Conditions with this bid are acceptable & it will be presumed that the bidder agrees entirely with it.

- (vi) Submissions of tender by the firm/agency/Consultant imply that he has read the instructions and conditions herein contained and has made him aware of the scopes and specifications of the work to be done at site.
- (vii) Request for reschedule of mile stone and extension of time to be eligible for consideration shall be made by the Architect/Consultant in writing within ten days of the event causing delay on the prescribed form to the Engineer-In charge. The Architect/Consultant may also, if practicable, indicate in such a request for which extension is desired. In such case, the authority may give a fare and reasonable extension of time and reschedule the mile stone for completion of work. Such extension shall be communicated to the Architect/consultant by the authority in writing within ten days of the date of receipt of such request. Non application by the consultant for extension of time shall be not be a bar for giving a fare and reasonable extension by the authority and this shall be binding on the consultant/architect.
- (viii) In the event of any dispute, difference or question arising concerning this consultancy, the matter shall be referred to the Superintending Engineer, Construction Circle-I, U.T. Chandigarh for arbitration, whose decision shall be final and binding upon the parties.
- (ix) Engineer-in-charge may at his own liberty postpone/abandon or execute part of the scheme and in such eventuality the Architect/consultant shall not be entitled for any compensation for non-execution except the fee which is payable to the Architect upto that stage of services then in progress.
- (x) The Architect shall be required to attend the office of Executive Engineer, C.P. Division No. 5, U.T. Chandigarh as and when desired along with complete plan/design and specifications or any other material required for the project. The Engineer-in-charge has to be satisfied from the angle of effectiveness and technical soundness.
- (xi) Any tax or levy tax such as services tax, VAT, labour-cess etc. if imposed by the Government of India, State Government or local authorities for consultancy services would be borne by the consultant which may either be deducted at source by the Government or deposited by the Architect/Consultant at his own level with the concerned authority meaning by that nothing extra shall be paid to the consultant over and above the agreed fees/amount.
- (xii) 5% security will be deducted from the running payments/bills to be submitted by the consultant/Architect and shall be realized after completion of the project to the entire satisfaction of the Engineer-in-charge.
- (xiii) During the execution of work at least one representative of the consortium qualified Engineer deputed for supervision of work till the completion of work.
- (iv) The firm/agency/consultant has to work inclose coordination with the client department i.e. Beant Singh Memorial Society/Chief Architect, any changes/suggestion at any time/stage required during the execution of work will be entertained/incorporated accordingly which shall be consider as part of the job.
