

Earthquake Safety and Preparedness Mega Mock Drill

- 13th Feb'13 in Chandigarh

*With the occurrence of frequent disasters in the last decade, it has become mandatory to get prepared for any such emergencies to reduce the impact of disasters. Massive earthquakes which can neither be predicted nor prevented, devastated Bhuj and Sikkim in the last decade and took away human lives & property. Therefore, to generate awareness and face such a calamity **Chandigarh Administration is conducting a Mega Mock Drill on 13th Feb'13 at various location in Chandigarh City, on Earthquake Preparedness, in collaboration with National Disaster Management Authority, New Delhi.***

To generate awareness at a large scale and reach out masses, an Awareness Generation Campaign has been launched in Chandigarh city and Cricketer Yuvraj Singh is the Good Will Ambassador of this Campaign. Maximum participation of citizens of Chandigarh city in all the awareness activities and Mega Mock Drill would help them prepare themselves and their families to face any future earthquake. After this mega event, Chandigarh City would be better prepared and aware about the Earthquake Safety and Preparedness.
